

Uniform Purchasing

Dear Parents and Caregivers,

Due to updates with the departments COVID restrictions, we can only permit **one parent per child** on site for school uniform purchasing. The uniform shop will only be open for Kindergarten orientation groups. Parents can enter via the front gate on O'Connell Street and proceed to the front office to complete the COVID safety sign in. The office staff will then direct you to the uniform shop located next to the canteen. To ensure we maintain social distancing when onsite, please come to buy your child's school uniform during the allocated days and time for their coloured group.

Coloured Orientation Group	Uniform Shop Opening Time
Green Group	Monday, 23 rd November 2020 9:30-10:30 am
Blue Group	Monday, 30 th November 2020 9:30-10:30 am
Yellow Group	Wednesday, 2 nd December 2020 9:30-10:30 am

To comply with Departmental policy, there is little flexibility about opening times for the uniform shop. Once you have completed your purchases, please leave promptly via the school office. If you cannot come in during your allocated time, the uniform shop will be open prior to the first day of school in January 2021.
