

CANTEEN UPDATE

21 October 2021

Dear Parents/Carers,

As shared in previous communications, the canteen will open as of **Monday 25 October**. They will open 9-12pm each day, therefore they will not be open at recess. To accommodate the COVID-19 restrictions requirement of students visiting the canteen in stage cohorts, the following arranges will stand until either the canteen is able to open longer, or the restrictions are lifted:

10am – Kindergarten students will be allowed to visit the canteen to purchase cool food snacks only. Students will return to class with their snack, put them away and bring them out to eat at lunch time (11am).

10:30am – Stage 1 students will be allowed to visit the canteen to purchase cool food snacks only. Students will return to class with their snack, put them away and bring them out to eat at lunch time (11am).

As these are the only times Kindergarten and Stage 1 can visit the canteen, if your child requires lunch from the canteen, it is essential you place a lunch order, which will be delivered to their classroom. Snacks can also be ordered.

11am – Stage 2 students may visit the canteen during first half of lunch and can purchase hot and cold foods (as they will eat it straight away).

11:20am – Stage 3 may visit the canteen during second half of lunch and can purchase hot and cold foods (as they will eat it straight away).

Below are three options for placing a lunch order:

- Order online using Flexi Schools <https://www.flexischools.com.au/>
- Lunch orders can be written on a paper bag brought in from home with the exact money placed inside. Students need to drop them off at the canteen before 9am.
- Parents can open a canteen school account, to minimise cash handling. To open a canteen account, please go to www.melstastybites.com then click on "Online Ordering."

If you have any questions regarding canteen operations, please call the school office.

Regards

Jodi Harris

Relieving Principal
