Issue 11

29th July 2019

Dear parents and carers,

Welcome back to Term 3! On day one, the pride students showed in their school uniform was noteworthy. Almost all students were in full school uniform, which was very pleasing to see. It is important that students maintain this throughout the rest of the term.

Obstacool Fun Run

What a fabulous event! There were many smiles and a lot of laughter as the students completed the obstacle course. Thank you to all of the families that fundraised for this event to support the Year 6 Farewell. Also a big thank you to Miss Dickson and Mrs Subotic for organising the event.

Additional Class and Staffing Changes

As some of you are aware, Smithfield student population has continued to increase throughout the year. This increase necessitated the creation of an additional Stage 2 class. All students and families involved in this change were informed on Thursday of Week 1 and the new class formed on Monday. Miss West will teach the new 3/4 class and Miss Awick will teach 1/2W for the remainder of the year.

Selective High School Results

Once again Smithfield Public School achieve excellent Selective High School results with a total of 18 students offered places, 5 of which were from our mainstream cohort, and 4 on reserve lists. Congratulations to all of successful students, we are proud of you for your hard work and application to learning.

NAIDOC Celebrations

NAIDOC celebrations are scheduled for Monday 5 August. Parents and carers are invited to join the celebrations and attend the morning assembly in the hall at 9:10am followed by a smoking ceremony. Parents and carers can also enjoy a BBQ lunch with their children. Separate notes with further details on the event and for sausage sizzle preorders will go out this week.

Athletics Carnival

The athletics carnival for all students turning 8 or older will be held in Tuesday 6 August. This is a great day where students are encouraged to have a go in all events. Team points are given to each event participant. The P&C will run a canteen on the day for snack food and are taking pre orders for pizzas.

Parent - Teacher Interviews

Parent teacher Interviews will be held in Week 3; Kinder - Year 2 on Tuesday 5 August and Year 3 - 6 on Thursday 9 August. Community Languages teachers will offer interviews across both days. This is an important opportunity for parents to meet with teachers to discuss student goals for Semester 2. Please book your interviews using the online booking system as outlined in the separate note that went home last week.

Safe, Responsible, Respectful Learners

School Plan in Action

Below is the next School Plan in Action instalment. This week I will explain process one, 'Master teaching mentor programs,' from Strategic Direction 2: Educators and Their Learning.

This year saw the creation of a Mentor Leader role to streamline mentor programs and provide ongoing guidance and professional learning for mentors. Mrs Christos leads the mentor team to provide individualised profession learning for teachers. The current focus for this group is to refine current mentor practice to ensure a common, evidence based approach. Teachers across the school enlist the support and guidance of these mentors to help them refine their practice to best meet the needs of all students. This process includes observations, team teaching, feedback, collaborative planning and professional readings. The mentor program has supported the school to maintain a high standard of teaching across the school.

Have a wonderful fortnight.

Regards

Jodi Harris
Relieving Principal

ObstAcool Course

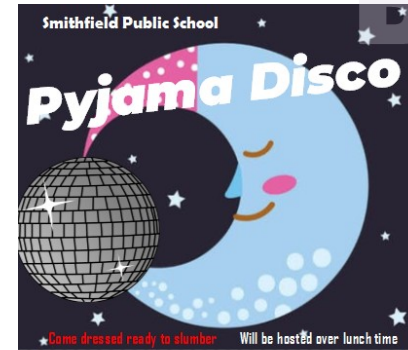

A big thank you to all student and parents who have fundraised money. It was a great success, everybody had lots of fun. We raised over \$2,500 and with this money we will be able to support the year 6 farewell.
