Dear parents/ guardians,

This last fortnight was very exciting for students and staff. I am proud of how teachers are working hard to modify activities, rather than cancelling them, so that students do not miss out on events due to COVID-19 restrictions.

### **COVID-19 Update**

The school continues to implement various additional measures to prevent COVID-19 infection. Extra cleaning throughout the day, including cleaning of playground equipment after each break, continues with a focus on high touch areas. Students regularly sanitise their hands and are asked to wash hands before eating and when returning from breaks. I would like to thank our families for their part in ensuring the safety of our students. It is pleasing to see parents keeping children at home when they are sick and calling the school if they are unsure whether to send them to school. Thank you also to parents who let the school know when anyone in the family home are tested for COVID-19.

### **Scripture**

After consultation with all scripture group organisers, it was decided that scripture be postponed until Term 4. Many of the scripture teams have reduced numbers of volunteers due to COVID-19 concerns, which is understandable as many of the volunteers are elderly. This has made it difficult to cover classes. If you have any concerns about this, please contact me through the school office.

### **Education Week**

Last week, Smithfield PS celebrated Education Week. Classes participated in a variety of activities to acknowledge this year's theme of 'learning together.' Mrs Cordero and her team ensured parents were still able to be a part of Education Week despite not being able to come onsite. Parents enjoyed the art display along the school fences and an insight into activities via Seesaw. Photos will also be posted on the school website this week, highlighting the various Education Week activities students participated in. Thank you to Mrs Cordero, the Education Week team, teachers and students for making Education Week memorable.

### **Athletics Carnival**

This year's Athletics carnival was amazing! It was wonderful to see students having fun and trying their very best. There were so many smiles and displays of comradery between students, encouraging and cheering each other on. Thank you to the Athletics committee, led by Miss Moore, for making the event possible. It really was a well organised, high spirited, competitive and exciting day for all. Thank you also to the volunteers who gave up their time to help and the P&C for manning the canteen on the day.

### **Reports**

Semester 1 reports were sent home on Monday. These reports are a modified version of our regular reports due to the interruptions to face-to-face learning in Term 2. Please take time to read the report with your child/ren and praise them for their effort.

Safe, Responsible, Respectful Learners

**Parent/Teacher Interviews**

Parent/Teacher interviews will be conducted this Wednesday and Thursday 12 and 13 August via Zoom. If you have not already done so, please use the below link to make an appointment with your child's teachers:

<https://www.schoolinterviews.com.au/login?z=xVCy9Z>

Booking Code: vtcky

Please note, parents are to attend the Zoom meetings from home using a personal device as we are unable to allow parents onsite at school.

Have a wonderful fortnight!

Regards

Jodi Harris

Relieving Principal

Please support the Year Six students of Smithfield Public School by purchasing a showbag for \$6.00. All students have until Wednesday the 26th of August to pay.

**SCHOOL DATES TO REMEMBER**

Parent Teacher Interviews 12th and 13th August

Pyjama Day Fund Raiser 19th August
