Dear Parents and Carers,

Welcome to Week 7. This term seems to be flying! As we draw closer to the end of 2020, students continue to engage in learning, with lots of fun events still to come.

We finished Week 5, celebrating NAIDOC Week. NAIDOC 2020 celebrated the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. The 2020 theme was 'Always Was, Always Will Be'. Thank you to all students who celebrated NAIDOC Week by wearing red, yellow and black.

On Tuesday (17 November), we celebrated Book Week. This was an opportunity to celebrate books for young people and the joy of reading. It was great to see so many students and teachers dressed up in their favourite characters.

On Friday (20 November) selected Stage 2 and 3 students will participate in the Horsley Zone Gala Day. Students will travel by bus to Endeavour Sports Park or walk to Brenan Park to participate in a full day of sport competitions. COVID- safe environment measures have been put into place to ensure students have a great time.

Kindergarten Enrolments and Orientation

Next Monday (23 November), will be our final Kindergarten Orientation session. It has been a pleasure to meet siblings of current families and welcome new families to our community. Students are happy and settled, developing relationships with teachers, students and our school.

If you have a child who will be attending Kindergarten in 2021, it is not too late to enrol. Please contact the front office for an enrolment form and our administration staff will be able to assist you with further information.

Safe, Responsible, Respectful Learners

Year 6 Farewell

Due to COVID restrictions, the Year 6 Farewell will look a little different in 2020. We are determined to provide our Year 6 with an equally beautiful celebration to mark the conclusion of their primary years. The Year 6 Farewell will be hosted at Smithfield Public School on the 10 December 2020. It is an exciting time of year for our senior students and the Stage 3 teachers have been working hard to organise this event. More information in coming soon.

Excursions

We have a few excursions organised in the coming weeks. Stage 3 had a fantastic time last week at TreeTop Adventure Parks. Many students returned to school sore from the challenging obstacles they navigated throughout the day. Stage 3 students will have an opportunity to attend another excursion to Zone Bowling Villawood on the 2 December.

Kindergarten students will be attending their first excursion on the 26 November to Western Sydney Zoo. Students will get to see wildlife from around the world, learn about conservation and the Bungarabee Dreaming experience. What an exciting opportunity. I look forward to hearing about this day!

Presentation Day

Presentation Day has been scheduled for the 8 December. Due to COVID restrictions, this will look a little different in 2020. More information regarding organisation of this special event will be communicated in coming weeks.

Have a wonderful fortnight!
